A music playing commitment is standard practice and mandatory for parents in all skating clubs across Canada. Parents will be slotted in for their music session on a rotating basis, based on the number of skaters/session for each session that their child skates on. Music is at ice level for Spring School. If you are unable to fulfill your music commitment it is your responsibility to find a replacement to play your music session.

I understand that Skate Canada cannot be held responsible for any loss, injury or damage sustained as a result of any of the Club's activities. Sessions are subject to change.
