

This is our 13th year bringing you our Summer Skating Session. We have worked very hard to put together a program that will meet the needs of skaters at all levels. We are a volunteer-based organization and can only be run with the help of our membership. We would like to thank everyone who has given their time to make our club a success.

Music is at ice level. **If you are unable to fulfill your music commitment, it is your responsibility to find a replacement to play your music session.**
- Solo music is played in order. If a skater refuses their music their name goes to the bottom of the list.
- Only solos requested by a coach will be played out of order.
